## Training Course 5 – Urban Re-establishment

### Presenter: Rachael Musgrave-Evans LS

### 5 Cadastral FPET Points

The training courses being offered by our office are primarily designed to provide surveying graduates with some training and support towards becoming registered as a Licensed Surveyor (graduates do not need to be in a formal Professional Training Agreement to be eligible to apply). These sessions will also suit people with a TAFE qualification (surveying) or those who have some level of work experience as a cadastral surveyor. These courses can also provide additional guidance to Licensed Surveyors.

**Course Details:**

This one day course will go through urban re-establishment principles with full worked examples using surveys from our office.

This course will also cover:

- Easements/Reserves
- Roads/Introducing road abutments
- General Law Land/bringing land under the Transfer of Land Act 1958
- Transfer of Land Act 1958 Applications 60, 99 and 103
- Transferability
- Property Law Act 1958

**Pre-requisites:**

- Participants need to hold a surveying degree/diploma or have had some experience working as a cadastral surveyor. Licensed Surveyors are also welcome to register.

**Cost:**

- \$450 plus GST (capped at 20 places)
- Morning and afternoon tea provided; lunch is not included (many options for lunch available around venue)

**How To Register:**

- Scan the QR code to register
- For more information visit [megc.com.au/training-courses](http://megc.com.au/training-courses)
